## The Celebration Continues!

You raised \$590,916 at [Uncork the Night](#) and the party's not over yet!

We have a generous donor who will match every additional donation to help us reach \$600,000. Your gift today will go twice as far - every dollar will provide TWO meals for a child in need.

You've given \$2,950 so far - we're more than halfway there! We have until Monday to reach our goal.

## Your Holiday Gift to Local Families

In the past 12 months, Alison's family has had to deal with medical bills, an eviction notice and a car breakdown. Her children's Christmas wishes are simple things that will allow them to continue the hobbies that help them cope with stress at home. Alison works hard to provide them with their basic needs but doesn't have extra money to spend on gifts.

[Holiday Adopt-A-Family](#) is allowing Alison's family to celebrate the holidays like other households, by matching them with a community sponsor to provide food, clothing and

gifts for Christmas. You can make an impact for the 3,700 children and their families living in poverty in Bellevue by donating, volunteering or sponsoring a family like Alison's.
