### Bringing Confidence Back to Class

Remember your first day of school? A favorite jacket or a new pair of shoes can make a big difference in a child's confidence when they walk into the classroom for the first time. For over 3,700 children living in poverty in Bellevue, new outfits are a reality, thanks to you.

*"Kids really look forward to having new clothes. They have a sense of pride in something new or something they've picked out. It's hard when it's Blue Friday and you're the only one without a Seahawks shirt or a jersey. **It helps them feel like they're a part of things.**"*

- Julie McIntyre, Family Connections Center at Stevenson Elementary

You're helping hundreds of students feel like they belong. Thanks to a generous grant from [Nordstrom Cares](#) and the support of our Bellevue community, 458 kids went back to school, confident wearing new clothes purchased through Clothes-4-Kids™.

### Fashion + Friends + Fun = Fabulous!

## Volunteer Spotlight

Two years ago, Alice Kalis and her family moved to Medina from the Netherlands. She was introduced to Bellevue LifeSpring through friends at the Fairweather Circle's annual Garden Party in June 2015.

*"The next Monday, I started volunteering at the Thrift Shop! Every Monday morning, I freshen up the windows and displays - I love it! It's good to give back to the community and I've bought some great Thrift Shop treasures."*

Alice is a member of the Fairweather Circle and a [professional photographer](#). She recently donated her talents to the annual Garden Party benefiting Bellevue LifeSpring at Wells Medina Nursery. Check out her beautiful photos of the event [here!](#)

## Raise Your Glass. Raise Your Paddle. Raise Up Your Community.

Uncork the Night is a top-flight night of wining, dining and making a difference for the 3,700 children living in poverty in Bellevue. Funds raised at Uncork the Night benefit the Breaktime-Mealtime program, which provided 128,000+ meals to kids in need last year.

*"We need Breaktime-Mealtime or we don't have food to eat during breaks since school is closed. I help my brothers make tuna sandwiches with food from the boxes. They love that."*

- Sonya, 5th Grader
