

# Four Solutions for YOUR NEW YEAR'S RESOLUTIONS

Written by Rachael Eichner

With a new year comes new resolutions and goals. These resolutions symbolize the things we care about most in life and reflect the areas we want to improve upon. Sometimes it's hard to figure out where to begin. Bellevue LifeSpring is here to help with solutions for your New Year's resolutions!

## 1. If One of Your Resolutions is to Meet New People:

You can bring a social aspect to your philanthropy and join a Bellevue LifeSpring Membership Circle. As a Bellevue LifeSpring circle member, you are part of a large network of friends that truly make a difference in the everyday lives of Bellevue children in need. The Points community is home to four great membership circles: the Hunts Point Circle, the Fairweather Circle, the Yarrow Point Circle, and the One Circle.

Points community member and Hunts Point Circle member, Marilyn Herzberg, shared what being a member means for her: "I feel so very fortunate to be living in our beautiful community. It's natural to want to give back, to enhance our community, and to help those that need a helping hand. Our Hunts Point Circle has members of all ages – from their 20s

on up to their 90s and every age in between. I feel a real sense of community there where we know, love, support, and encourage each other."

## 2. If One of Your Resolutions is to Reconnect With Friends:

Invite your friends, old and new, to our Step Up to the Plate Benefit Luncheon on March 22 at Meydenbauer Center! This incredible event brings together friends, neighbors, and colleagues to learn about the need in our community and to gather around a bigger purpose of supporting Bellevue children in need.

"I love every part of the luncheon," shared Points resident and former Annual Luncheon Chair Jeri Boettcher. "Seeing friends and community leaders gather to support Bellevue kids is amazing."

## 3. If One of Your Resolutions is to Give Back to Your Community:

Bellevue LifeSpring has so many great ways to get involved and make a positive impact on your neighbors in need.

You can make an investment in the bright future of our local students. When children have their basic needs met, they are more likely to thrive and reach their fullest potential. Your investment in Bellevue's students from low-income households creates better learning opportunities, a prepared workforce, and ultimately a stronger Bellevue for all of us.

You can also host a snack pack drive or simply donate healthy snacks for Bellevue students! It's hard to focus on an empty stomach. Snack packs stop hunger in its tracks and help ensure students have the nutrition they need for a successful school day. Snack packs are a vital resource to students that don't get breakfast at home or need a snack after school.

For help setting up a snack pack drive, contact **Kris@BellevueLifeSpring.org** or visit our website and download our snack pack toolkit: [www.bellevuelifespring.org/snack-and-basic-needs-drives](http://www.bellevuelifespring.org/snack-and-basic-needs-drives).

## 4. If One of Your Resolutions is to Build a Legacy that Lasts:

You can become a Bellevue LifeSpring legacy investor and make a lasting impact on Bellevue children. Legacy investments ensure the sustainability of Bellevue LifeSpring programs today and

tomorrow. Fifty percent of each legacy gift is used to fund current programs, and fifty percent is invested in Bellevue LifeSpring's endowment fund, so Bellevue's children continue to have the opportunity to achieve a brighter future.

No matter which New Year's resolution you choose to make, we just hope Bellevue LifeSpring is a part of your new year. Cheers to you and a happy 2022!
