# Highlights

Here's a look at some of the brightest moments and biggest events from the past year.

## Educational Grants

Thanks to the generous investment of donors like you, this year Bellevue LifeSpring awarded 26 deserving students with college scholarships to pursue their higher education. Educational Grants are four-year renewable college scholarships for graduates of the Bellevue School District. These students have drive and determination, and work hard to rise above their circumstances. With the expensive price tag of higher education, nothing is more important than financial aid to a student.

Emily, an Educational Grants recipient, shared with us, "This scholarship means more than just money to me. This scholarship signifies that I have a community behind me rooting for my success in life."

## Uncork the Night: A Celebration of Wine & Giving

Guests wine, dined and made a HUGE difference at the 15th annual Uncork the Night, raising \$525,683 to support Bellevue children and their families. Event guests heard from Alejandra, a student who was a recipient of multiple programs - including Breaktime-Mealtime and Educational Grants.

Alejandra shared, "I want to say thank you to Bellevue LifeSpring for all of the resources that they have provided for me and my family. They have helped me in many immeasurable ways. Thank you for making my possibilities endless."

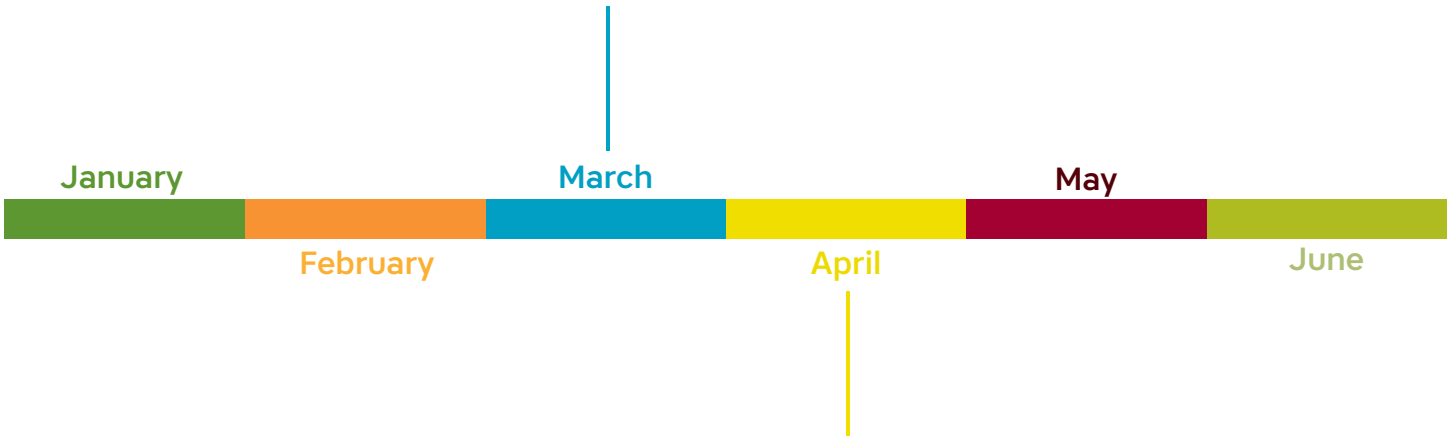

Your shared belief in our mission and vision is helping students like Alejandra break the cycle of poverty and reach their fullest potential.

### Step Up to the Plate Benefit Luncheon

Our community stepped up and made a serious impact at the 20th annual Step Up to the Plate Benefit Luncheon, raising \$407,600 to benefit Bellevue children. This incredible afternoon brought together friends, neighbors and colleagues to learn about the needs in our community and provide support to the 3,600 Bellevue children and their families living in poverty.

Attendees got the chance to hear from Megan, a dedicated mother and a recipient of Bellevue LifeSpring’s emergency rental assistance and food programs. Megan shared, “Because of your support my children are thriving.”

### Breaktime - Mealtime™

Our Breaktime-Mealtime program provided food vouchers to over 2,000 children who rely on the free and reduced-price meal program for nutrition. This year marked the first full year that grocery store food vouchers were distributed to families in place of boxes of food. Vouchers successfully gave families the dignity of choice to purchase food that fits their household culture and dietary needs.

One school counselor shared the impact of the program for families: “Our school has over 75 families enrolled in Breaktime-Mealtime. As the Family Services Specialist, I value and appreciate the program very much. This program not only provides food but also provides the assurance of possible stability for struggling families.”
