

Helping Bellevue's Children and
Their Families For Over 100 Years

A photograph of a young girl with dark hair, wearing a light blue long-sleeved shirt, sitting at a desk in a classroom. She is smiling broadly and holding a yellow pencil. There are other students and desks visible in the background, which is slightly out of focus.

Highlights

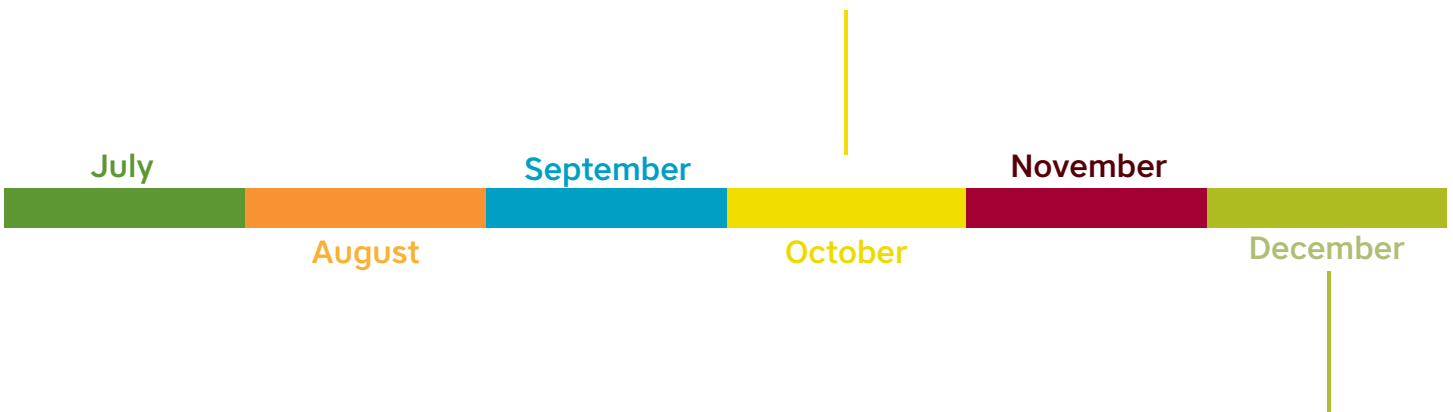

Here's a look at just a few of the brightest moments from fiscal year July 2020 to June 2021.

Launched the Right Now Needs Fund with Amazon

In the Fall of 2020, we entered into a new partnership with Amazon to create a Right Now Needs Fund to support Bellevue students. Amazon established this fund with a \$700,000 commitment to Bellevue LifeSpring each year for the next two years. This exciting collaboration between Amazon, Bellevue LifeSpring, and the Bellevue School District reflects a true partnership where we will innovate together to provide basic needs and eliminate barriers to learning for all students.

"At Amazon, we value speed, flexibility, and scale when we build and operate. Our Right Now Needs Funds help schools exercise these same values to support students in the community, and we're excited to extend this support to Bellevue with our support of Bellevue LifeSpring."
— David Zapolsky, Amazon General Counsel and Senior Vice President and Alliance for Education board member

Holiday Adopt-A-Family™ Doubles Goal

For the 2020 holiday season, we set a goal to support 600 children, starting with those who were in the midst of experiencing homelessness first.

Your support was overwhelming! Thanks to our caring community, we surpassed and doubled our goal! Over **1,200 children** received grocery store food vouchers and retail gift cards to make their holidays just a little brighter.

While it was one of the most grueling and demanding years on record, this spirit of giving and generosity was a powerful reminder of our community's resilience.

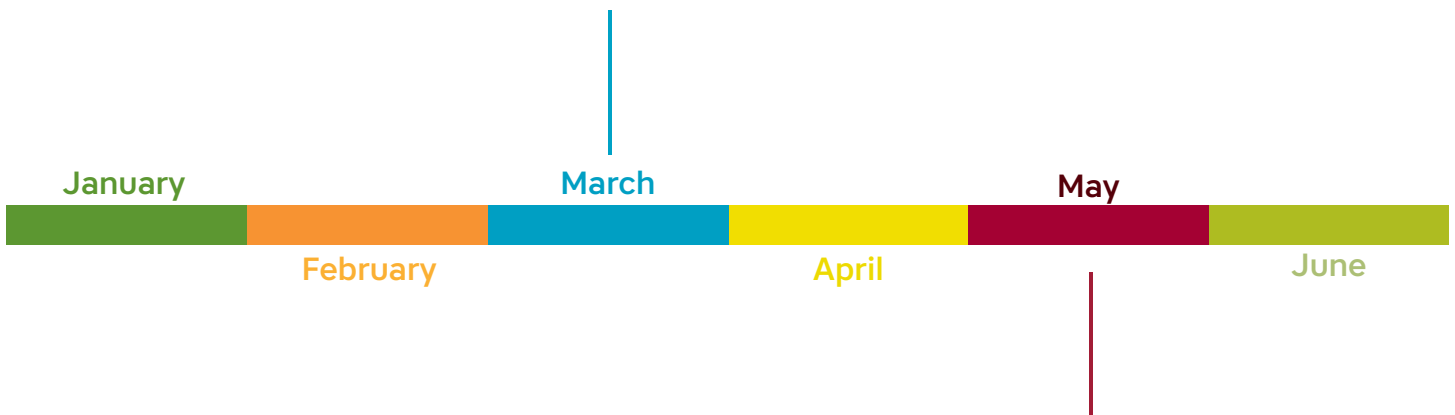

Local Companies Stepped Up to Give Local

Food assistance requests increased by 50% during the pandemic, and rental assistance requests tripled. In the Spring of 2021, we launched our Give Where You Live campaign to inspire our community to fight poverty in their own backyard. Local companies, including top investors Avenue Bellevue, Safeway, Aegis Living of Bellevue, and Lexus of Bellevue, invested big to help ensure no child in Bellevue experienced hunger or homelessness. Thanks to their support and many more, we didn't turn away any Bellevue family in need of support in 2021.

"Avenue Bellevue supports Bellevue kids because they are the future. Bellevue LifeSpring ensures local children have their basics needs met so that every child in our community has the chance to thrive."
— Andy Lakha, owner and developer of Avenue Bellevue

COVID-19 Emergency Response

The devastating economic impacts of COVID-19 continued to be felt into 2021 — across the globe and here in Bellevue. Your investments accomplished amazing things.

Since schools closed in March of 2020 to May of 2021, the community's collective support raised more than \$2.5 million and provided over **800,000 meals** to low-income students. Together, your support also prevented over **800 children** from experiencing homelessness. *When we give where we live, we all benefit.*

Our Supporters

Unity creates opportunity! Everything we do is powered by our Bellevue community — our passionate circle members, investors, local business leaders, and volunteers. Collectively, your generosity, expertise, and dedication help lift local families out of poverty, creating pathways to success for thousands of Bellevue children.
